**Sensei:** I cannot know, grasshopper. I am a small penguin.

**CP Mag:** So, um, what have you got planned for the party?  
**Sensei:** Aha! I will be helping in the action movie studio.

**CP Mag:** Awesome! Will you be showing off your sweet ninja skills?  
**Sensei:** I will be on stunt duty. For though I cherish the calming energy of tea and flutes... Explosions are most impressive.

**CP Mag:** Can't wait! But can you show us just one ninja skill? Pretty please?  
**Sensei:** So be it.

**CP Mag:** Well?  
**Sensei:** It is done.

# D

## Dance Contest

One time I got a hundred note combo on Dance Contest and everyone was cheering! Then I slipped over and everyone laughed. Good thing I glued my hat on.

## Detective's Coat

Some penguins buy this from the Costume Trunk so they can play spies. Well, yours truly is the real deal. No autographs, please.

## Dinosaurs

Last month at the Prehistoric Party I learned two things about dinosaurs - they are very old and really hard to spell. Especially the pterrano... petralo... the flying one.

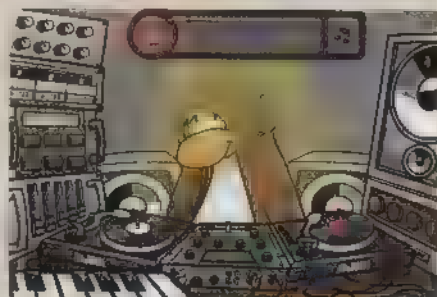

## Director

I didn't do it, I swear! Oh, sorry. Force of habit. The Director is my boss at the EPF, and she gets a bit annoyed if I stuff up. Which is hardly ever, of course.

## DJ3K

Mix your own epic music tracks then play them in your iggy! But don't wake the neighbours - invite them for a party instead!

## Dojo

The Dojo is where the wise Sensei trains new ninjas. The other day I asked him if I had what it takes and he said, "The mouse cannot catch the eagle." Cool, huh?

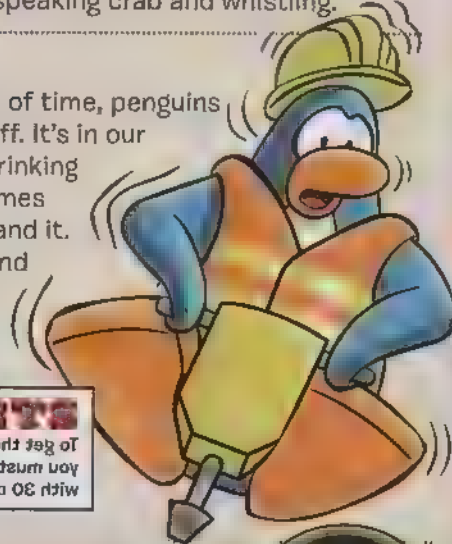

## Dot

Agent D is an EPF agent just like me! Except she's a girl. And she's really good at disguises, whereas I'm really good at other stuff. Like speaking crab and whistling.

## Drill

Since the dawn of time, penguins have drilled stuff. It's in our DNA, just like drinking coffee. Sometimes I don't understand it. Then I just go and drill something.

**SECRETS**

To get the Best Drill stamp you must drill on the iceberg with 30 other penguins!

## Dubstep Puffle

This rockin' little guy was a big hit at Ultimate Jam! I wonder if he'll be back again this year?

## Dumbbells

Lifting stuff is a great way to stay in shape, unless you're just lifting pizza up to your mouth. If you dance while holding the Dumbbells, the Strongman Suit, and the Mustachio, you'll do a special action!

Next issue, **E** is for EPF, Earth Day, Electric Guitar and more!

# PLANET

All about wild animals and caring for our world.

Brrr! When it's fast-freezing outside, a cosy coat is just the ticket! Check out these winter warmers.

Warm AND waterproof? How cool is that? Sea otters have the densest fur coat in the whole world - nearly one million hairs could fit in a space the size of this dot.

1 million otter hairs!

## Creature Close-up

## Fur Real Facts

The chinchilla is said to have the softest fur in the world

Lion cubs lose the spots on their fur when they grow up

Some caterpillars look furry - these are actually defensive spikes!

Polar bears have two layers of fur which is so warm that they can overheat when they run! What's more, a polar bear's fur is actually see-through. The sun goes through it and heats their skin underneath, which is black! Cool, huh?

## Conservation

In some places animals are farmed or trapped for their fur, which is used to make expensive and warm clothing. Sometimes endangered animals are hunted too which is illegal and causes much suffering.

What do penguins wear  
on their heads?

Polar icecaps!

Lynn Peeng11

Dear Aunt Arctic,  
We were so excited to get  
the Arctic White colour that  
we had a white drilling party  
on the iceberg! Check it out!  
From Rex 81802

Dear Rex 81802,  
It seems like the Arctic White  
colour was a super popular  
Holiday gift - just look at all  
those smiling faces!
